---

**Word Bank:**

cars  swim

adult  buckle

helmet  left, right
1. On the next page, draw a fire escape plan that shows two ways out of every room.

2. Label doors, windows and smoke alarms. Remind adults to test smoke alarms every month to make sure they are working.

3. Choose a meeting place for your family that is a safe distance away from your home.

4. Use your fire escape plan to practice a home fire drill with your family, once during the day and once at night.

5. Make it a goal for everyone to exit the home in less than 2 minutes.
Our Fire Escape Plan
Spot the Differences: What Is Safe?

Circle the 6 things that are safe.
Spot the Differences: What Is Not Safe?

Draw an X over the 6 things that are not safe.
Get to School Safely Maze

Can you find your way through the maze to get to school safely?

Watch for cars when the traffic light changes. Make eye contact with drivers before crossing.

Start safe! Cross the street at the crosswalk.

Heads Up, Devices Down.

Stop! Look left, right and left again before crossing the street.

When you wait for the bus, stand three giant steps away from the curb.

Buckle up every ride, every time.

Wear a properly fitted helmet on every ride.
Buckle up every ride, every time.
